ADULT FALL SOFTBALL PROGRAM

Fall Softball serves men and women, 18 years and older, who are out of high school. The program is conducted from late August to mid-October. Individually organized teams may apply to participate in one of the following divisions of slow pitch play: Men's, Women's, or Coed.

The program is limited to 112 teams due to facility and seasonal staff availability. The Fall Softball program uses similar rules to the summer MSCR adult softball program but may experiment, on occasion, with potential rule changes.
