REGISTRATION CHANGES & REFUNDS
All changes to your registration including cancellations, withdrawals and transfers must be made in writing and received in the MSCR administrative office, (3802 Regent Street) at least 7 days prior to the start of the session. Refunds for withdrawals are issued up to 7 days prior to the start of the program, minus the service charge listed below:
- $20 per full-day camp session
- $10 per half-day camp session
- $5 per non-camp program
- No refunds or credits are issued with less than 7 days advance notice.

PAYMENT PLANS
Payment plans must be requested using an MSCR Registration Form and are not available during online registration.
A non-refundable deposit is required for each day camp session and is due at the time of registration, except for families requesting fee assistance:
- $20 deposit for each full day camp session
- $10 deposit for each half-day camp session
A credit card number is required and is automatically charged the week prior to camp for the outstanding weekly balance. Your signature on the registration authorizes MSCR to initiate recurring credit card charge(s) as per the scheduled listed below.

FEE ASSISTANCE
MSCR youth program fees may be partially or fully waived for persons meeting the criteria for free or reduced price school meals. Fee assistance is limited to two programs per season per person (i.e. 2 weeks of summer camp)* and is available only to MMSD residents.
*If your family needs fee assistance for more than two programs, please indicate this on the Fee Assistance Form on page 58.
Fee assistance is not available online and must be submitted to our office at the time of registration; fee assistance is not granted after the registration has been processed.

KIDS KAMP & CAMP COMPASS ONLY
If requesting fee assistance for Warner Park Kids Kamp and Camp Compass programs, families must apply for Wisconsin Shares child care assistance and provide written documentation of ineligibility before MSCR approves fee assistance and registers your child.
Prior to submitting the MSCR Registration Form, you must complete the following steps:
1. Go to access.wi.gov to check for your eligibility for Wisconsin Shares Child Care subsidy.
2. Click on the link “Am I Eligible?”
3. Scroll to the bottom of the page and click “Next” to start the process.
4. Provide all the information requested
   a.) If the Result Page shows that you may not be able to get Child Care Assistance, print the Result Page and submit with your Registration Form and Fee Assistance Request Form.
   b.) If the Result Page shows that you may be able to get Child Care Assistance, then click on “Apply for Benefits” to initiate your child care application or contact the Dane County Capital Call Center at 1-888-794-5556 to apply by phone.

CANCELLATIONS
In the event of severe weather, please check mscr.org or call 608-204-3044 for program cancellations. MSCR may cancel programs due to severe weather, facility conflicts, staff illness or other unforeseen circumstances.

WARNER PARK COMMUNITY RECREATION CENTER PHOTO IDS
WPCRC Photo IDs are required for all MSCR programs, including Kids Kamp, at the Warner Park Community Recreation Center. Please go to mscr.org for the ID form.

SERVICES FOR PEOPLE WITH DISABILITIES
MSCR welcomes individuals with disabilities to participate in any programs. We provide reasonable accommodations in compliance with the Americans with Disabilities Act (ADA). Please see page 52 for more information on requesting accommodations from MSCR’s Inclusion Services.

MISSED PROGRAMS
MSCR does not offer make ups, credits or refunds for individual absences (i.e. schedule conflict, vacation, etc.), nor may participants attend a program other than the one in which they are registered.

MSCR is closed Friday, July 3.

### PRESCHOOL AGE CAMPS 608.204.3021

Fascination Station Express Camps are half-day programs for preschool-aged youth providing exposure to specific topics in a fun, enriching environment. Camps are designed to provide a wide variety of fascinating choices for campers during the course of the summer. Individual camp structures vary based on the nature of the theme, but generally include both large and small group activities developing continuity throughout the week. Morning drop-off hours are 8:45-9 am. Afternoon pick-up hours are 4-4:15 pm. Drop-off and pick-up hours consist of quiet games, arts & crafts and supervised free play. Registration closes one week prior to the start of each session.
FASCINATION STATION

Fascination Station Camps are half-day programs for elementary-aged youth providing in-depth exposure to specific topics in a fun, enriching environment. Camps are designed to provide a wide variety of fascinating choices for campers during the course of the summer. Campers are encouraged to explore their interests and passions. Most camps are led by experienced instructors with specialized knowledge about the topics they are exploring. Individual camp structures vary based on the nature of the program, but generally include both large and small group activities developing continuity throughout the week. All campers have the option of signing up for Lunch Bunch between morning and afternoon camps each week. Morning drop-off hours are 8:30-9am. Afternoon pickup hours are 4-4:30pm. Drop-off and pick-up hours consist of quiet games, arts & crafts and supervised free play. Registration closes one week prior to the start of each session.

THEMES

ARTS AND CRAFTS
Arts and crafts have been a staple of day camps for decades. Join us as we create traditional camp crafts such as pet rocks, friendship bracelets, tie dye creations, decoupage, dip candles and much more!

BUGS, BEETLES & BUTTERFLIES
Learn about insects, arachnids, butterflies and other tiny beings. Explore and observe the natural habitats of beetles, butterflies and spiders. Creepy, crawly fun abounds this week.

CHALLENGE COURSE
Campers start the week on the low course and then have an opportunity to climb, swing and jump up to 30 ft. in the air on the high course. All climbers are supported by a safety team on the ground made up of their peers, focusing participants on trust and support with one another throughout the experience.

COMICS & CARTOONS
Campers learn the difference between comics and cartoons, and how to tell stories through a single piece of art or sequential art. The week starts with storyboarding and the basics of how to tell stories, and then moves through laying out panels, lettering and drawing. End the session creating either several one-page comics or a several-page story.

CREATIVE WRITING
Do you have a story to tell? A poem to recite? Join us for creative writing and explore your unique creative voice! We play a variety of games and other activities to get your creative juices flowing and help identify the stories you have to tell. Develop writing skills such as writing dialog, setting scenes and character development.

DINO DAYS
Rock out during this fun fossil filled week! Learn about dinosaurs and other prehistoric creatures that roamed the earth millions of years ago. Dig up new ideas as you learn, craft and play games!

FARM TO TABLE
Wonder where your food comes from? This week we won’t have to wonder when our food comes from the farm to our tables. Learn about community-based agriculture and farming. Try new culinary creations prepared by you!

MAD SCIENTISTS
Camp transforms into a laboratory as campers experiment with scientific principles based on physics, chemistry and more. Grab your lab coat and get ready to explore the basics of chemistry, concoct mixtures and propel everyday objects.

MAGICAL MUSIC
A pinch of pitch, a tad of tone and bit of beat combine together to make a spellbinding song. Learn how to take these elements, combine them together and make music that is truly magical. No cauldron or wand needed!

MINDFUL MORNINGS
Develop senses while learning breathwork, practicing kindness, gratitude, empathy and togetherness. Using the Beginner’s Mind Tool Kit, find new ways to practice self-control, awareness and acceptance through creative projects, stories and discussions.

OLYMPICS
Welcome to the Fascination Station Olympic games! Design your own team flag and show off your skills in various Olympic-type games. Celebrate the Olympic spirit at this summer’s Fascination Station Olympic games!

POLLINATOR POWER
Examine the role of insects and birds in pollinating plants and keeping gardens growing strong. Spend your days exploring the John Muir Garden as you learn about pollination and how humans can attract pollinators to the garden.

RIVERS, LAKES AND OCEANS
Be ready to explore our rivers, lakes and oceans! Through hands-on experiences, we learn about the ecology of various bodies of water. Learn about the lakes in Dane county as well as rivers and oceans around the world!

ROCKET BUILDING
Explore the science of aerodynamics and force through building and flying your own rockets. Start with small UFOs like flying saucers and pyramids. Beat the heat experimenting with water rockets. Then, move on to design and build larger rockets out of cardboard, foam core and other materials. Learn to do a pre-flight test for stability then launch your creations with rocket engines.

SPACE IS THE PLACE
Get ready to have a BLAST learning about the solar system and beyond. Science projects, crafts and games make this camp an out of this world experience.

STOP MOTION ANIMATION
Campers learn the basics of animation. Create a story, storyboard and puppets; shoot the film and edit it. Create an animated short to share with family and friends!

STOP MOTION PUPPETS
Walt Disney, Tim Burton, Jim Henson - learn the art that made them famous! Puppets began in ancient times and there are thousands of materials, methods and techniques that can be used to make stop-motion puppets. Learn, explore and experiment with the fascinating art of stop motion puppets! Create an animated short to share with family and friends!

THEATER
It’s showtime! Learn the basics of theater and acting as you work with fellow campers to rehearse and perform a short play. Create props, costumes and sets for the performance. Whether it’s on the stage or back stage, you put on a production for all of Fascination Station to see. Invite family and friends!

TOWERS, RAMPS & MACHINES
Build towers, bridges, race tracks and more. Explore the basics of motion, force and the fundamentals of physics and engineering with exciting projects and activities. Campers catapult, propel, construct and experiment their way to an understanding of these sciences.

WACKY WATER
Get ready to dive right in and have fun with water this summer! Stay cool with hands-on activities designed to engage and teach. Learn about the unique properties of water through games, experiments, crafts and more!

WORLD OF DANCE
Dance your heart out. Learn the basics of dance styles, including: ballet, jazz and hip hop. Then broaden your horizons to explore different movements like contemporary and styles from around the world. Finally express yourself by creating your own choreography. Concludes with a showcase performance.

LUNCH BUNCH
Supervised lunch hour option for all Fascination Station Camp participants, before, after or between camps they are registered for. Lunch Bunch is supervised by MSCCR staff and includes time for eating lunch and outdoor play. Please bring a lunch and a beverage that does not require refrigeration or reheating. Please register individually for each week.

CAMP TALL OAKS

Camp Tall Oaks is your go to camp for exploring the outdoors! Camp Tall Oaks combines outdoor leadership, environmental education and outdoor recreation activities designed to foster camper relationships with themselves, each other and nature. Each week highlights different activities and campers are encouraged to sign-up for themes that spark their curiosity! Most sessions take field trips to local state parks and/or adventure businesses. No previous experience in any activity is required. Youth Programs Handbook is available online at the time of registration. Weekly itineraries are emailed prior to the start of the camp week. Campers meet at Franklin Elementary School (305 W Lakeside St, Madison, WI 53715) and take a school bus to the Madison School Forest Campground, the beautiful 300 plus acre outdoor classroom that camp calls home! Camper drop off is from 7:30-8:00 am and pick-up is from 5:00-5:30 pm at Franklin Elementary School.

Please bring a backpack, sunscreen, sunhat, water bottle, bug spray, rain poncho, swimsuit and towel each day.* Please bring a sack lunch with a morning and afternoon snack for each day. *Please contact the Camp Tall Oaks program coordinator if you need help getting the required items.

SUPER CENTER ARTS CAMP

Does your child love to be creative? In an increasingly technological world, it’s easy for the arts to be overshadowed. Super Center Arts Camp provides youth with the opportunity to develop artistic interests and skills in a creative day camp experience. This fine arts camp is for children who would enjoy new arts explorations in dance, theater, music and visual arts. At Super Center, campers are grouped by age and rotate daily through music, drama, dance and art activities based on a weekly theme. Daily activities also include swimming, guest performers, field trips and special camp performances. Extended day option consists of quiet games, self-directed art activities and supervised outdoor play. Whether your child is a musician or a dancer, an actor or an artist, or they’re not sure, but are willing to give new experiences a try, we invite them to discover their artistic passion at Super Center Arts Camp!

Registration closes one week prior to the first day of camp. Please bring a lunch that does not require refrigeration or heating, snacks, water bottle, sunscreen, bug repellant, swimming suit and towel each day. A detailed weekly schedule is provided on Monday of each session. Youth Programs Handbook is mailed approximately one week prior to the start of camp. Please review camp policies prior to registering.

STEM EXPLORATIONS

Middle school youth and scientists come together to explore STEM (science, technology, engineering and math) fields at the Discovery Building on the UW-Madison campus. Students engage in hands-on activities to learn how scientists and engineers solve problems by programming robots, using new technologies, designing and carrying out experiments and more. Daily interactions with scientists and experiences in Junior Science Cafe and guided UW-Madison campus visits help broaden the participant’s understanding of college and career opportunities in STEM fields. Drop off/pick up location is at O’Keeffe Middle School. Please bring a water bottle and lunch each day.

VOLLEYBALL CAMP

This camp is designed to provide campers with instruction on all aspects of volleyball. Participants learn the fundamentals of the game in a safe, noncompetitive environment that fosters learning and fun. Players meet and learn from local volleyball coaches and players who may one day coach them on their high school teams. Camp location rotates every two weeks to provide an opportunity for all to participate at their local high school. Please bring a water bottle each day.
