

Indoor Playground Birthday Parties

Celebrate your child's birthday with your own private indoor playground. Indoor playground highlights include soft play structures, riding toys and dramatic play toys best suited for party guests ages 1-4 years. Parties are 1.5 hours with an hour of play time for up to 20 guests and a half hour for presents and refreshments in a separate room. An MSCR staff person is present throughout the party but children must be supervised by parents. Parties are available on select Saturdays in the fall from 11:30am-1:00pm. For availability and more details visit, www.mscr.org.

Party Details

MSCR will provide invitations that can be printed, party favors, and decorations. Fee includes admission for up to 20 children. Once you register, you will receive a confirmation with an invitation you can print off at home.

Each guest will be required to sign a liability release form prior to the party. The form is located at the bottom of the invitation.

Food is not allowed in the gym, but a classroom is available following the indoor playground portion for food and celebration. The classroom contains tables and chairs for 20. The playground portion takes about 60 minutes and the separate classroom is available until 1:00PM. An MSCR staff person is present to facilitate the event, but parents are responsible for supervising the guests. You are allowed to bring in your own food. The room must be left the same way it was found and be vacated by 1:30PM.

We are limited by physical space so the maximum number of participants is 20. It is recommended that all guests be between 1-5 years of age.
