

Supply List for the MSCR class: Sewing 2 at MSCR East*

IMPORTANT: MSCR provides the pattern on the first day of class. Please select from the following pattern choices to learn which supplies to purchase before class.

If you can, it's good to pre-wash and dry the fabric. The pants are the most straight forward to sew. Cotton, flannel or fleece fabric are recommended. The t-shirt and tank patterns are a bit more advanced because knit fabrics are more difficult to work with. We don't recommend choosing the button down shirt. There would not be enough time in class to finish it.

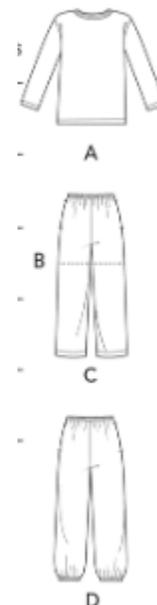

Choose one pattern from the list below. Fabric and notions are listed with each pattern.
