Zs - SUSAN VALKO

Pottery has been a wonderful new adventure for Susan that she discovered as an adult, providing her with constant learning and growth opportunities since 2021. Playing with clay and the clay community that she is grateful to be a part of has helped her through some tough times. Susan loves to experiment with throwing shapes and altering them in different ways like carving, piercing and tearing. She is looking forward to getting inspired by all the wonderful artists' work at the MSCR Pottery Sale.
